## Special treat from a special friend

PHOTO BY ERIN HUNTIMER

**Baby** prances when she hears **Wendy Laverdure's** voice. This Corriente calf loves attention — and Goldfish crackers. Baby is owned by Erin, Rick, KayLee and Vander Huntimer of Hannover, who are members of Roughrider Electric. Wendy, a resident of Stanton, is Erin's mother.

Baby is more of a pet. She's halter-trained and has been camping with the family. She loves pets, treats and backyard campfires.

Thank you, Huntimer family, for sharing your photo and simple joy.

## Cooperative scholarship winners announced

As part of our commitment to community and area youth, Roughrider Electric Cooperative is pleased to award several scholarships for the 2018-19 school year.

Roughrider assists in developing leadership in our service area by helping worthy recipients obtain a higher education with assistance from a scholarship. This scholarship program is designed to recognize and encourage the achievements of our members and their dependent children.

Roughrider Electric awarded eight \$500 scholarships this year. One graduating senior from each of the high schools within our service area is chosen by his or her school to receive these funds. These schools include: Belfield, Beulah, Center-Stanton, Dickinson High, Dickinson

Trinity, Hazen, Richardton-Taylor, South Heart and Hope Christian Academy. Hope Christian did not have any senior students this year, so that scholarship was held.

Roughrider also awarded one \$500 scholarship to a graduating senior from a high school outside of our service area, whose parents are members of our cooperative.

We congratulate the following graduating seniors, who each received a scholarship award of \$500:

- Belfield High School, **Anton Krebs**, son of Anthony
- Beulah High School, **Phoebe Garman**, daughter of Aaron and Amy
- Center-Stanton High School, **Morgan Vitek**, daughter of Keith and Brenda
- Dickinson High School, **Dayna Zubke**, daughter of Delvin and Tracy
- Hazen High School, **Karlee Schmitt**, daughter of Mark and Marianne
- Richardton-Taylor High School, **Wyatt Baseflug**, son of Matthew and Teresa
- South Heart High School, **Kyle Kostelecky**, son of Daryl and Sheila
- Dickinson Trinity High School, **Cole Kieson**, son of Chad and Rhonda
- At Large: Killdeer High School, **Elissa Steffan**, daughter of Tom and Deanna ■

## Basin Electric Power Cooperative scholarship

Each year, Basin Electric Power Cooperative provides \$1,000 to Roughrider Electric Cooperative to be awarded as a scholarship to a qualified candidate. Roughrider is pleased to be able to offer this \$1,000 scholarship. This recipient, Brayden Groll, was picked from all the qualified applications received. He attended Dickinson High School and is the son of Chad and Kimberly. ■

**Brayden Groll**

**Scholarship information and applications will be available in December from high school counselors and on Roughrider Electric's website.**

**Awna Kovash**

## Employee scholarship honor goes to Awna Kovash

**R**oughrider was delighted to learn that Awna Kovash earned a \$1,000 scholarship from Basin Electric Power Cooperative. Each year, Basin Electric also offers an opportunity for children of member-cooperative employees to apply for one of 20 scholarships available to them. Now in its 28th year, the scholarship program remains focused on recognizing and encouraging

academic and community achievements of students in the region. It is also considered an investment in the economic future of rural areas.

A student at Dickinson Trinity High School, Awna is the daughter of Jackie and Len Kovash of Dickinson. Jackie is the business manager for Roughrider Electric Cooperative. ■

## UNCLAIMED CAPITAL CREDITS

The following list contains the names of current or former Roughrider Electric Cooperative members who have unclaimed capital credit checks that were mailed in December 2018. These checks have either been received but not cashed, or returned to Roughrider by the postal service because they could not locate the members at the address on file. A further search by Roughrider personnel has not turned up their whereabouts.

If you know of the whereabouts of members on this list, please have them contact Roughrider at 800-748-5533. Please keep in mind that not all of the capital credit amounts are large but we would like to get these checks to the proper parties.

### What are capital credits?

Roughrider Electric Cooperative is a nonprofit business. We exist only to provide goods and services to you, our members; not to make a profit for a shareholder or investor. Cooperatives are operated to provide at-cost electric service to their members.

When all the expenses are paid, the cooperative's margins are credited to you in the form of capital credits. As the financial condition of your cooperative allows, you are paid these capital credits. In the meantime, your capital credits are your equity in the cooperative.

Refunds are allocated based on the amount of business a member does with the cooperative – the more electricity used, the larger the capital credit check.

If you have questions about your capital credits or would like a more detailed explanation, contact Roughrider at 800-748-5533.

At Upper Missouri Power Cooperative's annual meeting held in April, Roughrider Electric

Cooperative board director Bill Retterath was re-elected to serve as treasurer. Upper Missouri is Roughrider's main power supplier.

Upper Missouri General Manager Claire Vigesaa says Bill brings a unique perspective to the board. "He is not only a farmer/rancher, but he worked on several of the power plants in the region.
