

Roughrider Electric Cooperative offers members CONSERVATION AND ENERGY EFFICIENCIES INCENTIVES

Roughrider Electric is continuing the conservation and energy-efficiency program through 2025. The incentives are designed to help you, the member-owner, become more energy efficient.

The program will include Ground-Source and Air-Source Heat Pumps.

Qualifying systems must be purchased and installed between Jan 1, 2025 and Dec 31, 2025.

The program for the heat pumps is for new installation or for replacement of a conventional heating system.

A maximum dollar amount has been set aside for the incentive program. When this amount has been met, the program will close. Roughrider Electric reserves the right to cancel the program without further notice. One rebate allowed per member.

For more information, please contact Brad Quenette, Member Services Manager at 800-748-5533 or e-mail: bquenette@roughriderelectric.com
