**Infractions of any of these rules may result in immediate dismissal of the student from the program.** In the event of such a dismissal, the student's parents or guardians will be notified, and the student will be sent home at his or her parents' expense.

### **DRESS CODE**

While touring the power plant and coal mine, students are required to wear closed-toed shoes. In addition, students are asked not to wear dresses or skirts on these tours.

Students are required to be in their assigned rooms by the assigned curfew. Curfew is 10:00 p.m., unless otherwise indicated on the itinerary.

### **HOTEL CONDUCT**

Students are expected to behave in a mature manner in the hotel. They should conduct themselves appropriately at all times by keeping noise levels down, allowing others to pass in the halls, not blocking the lobby areas and not crowding the elevators. Students should remember the golden rule of treating other people and other people's property with respect. Participants will be held financially responsible for any damage to their rooms.
