**Are you ready to power up your career?** At Roughrider Electric Cooperative (REC), we're on the lookout for an Apprentice or Journeyman Lineworker to join our team. We're not just another employer; we're a passionate, forward-thinking cooperative dedicated to providing unwavering support to our valued members.

**Why Choose REC?** Our commitment to our employees is strong, just like our commitment to our members. We believe in a supportive work environment that not only allows you to thrive professionally but also ensures a healthy work-life balance. Here's what you can expect:

- **Competitive Compensation:** Simple! Hard work deserves recognition and rewards.
- **Comprehensive Benefits Package:** Your well-being is a priority. We've got you covered! You can focus on your career.
- **Ideal Work-Life Balance:** Time is valuable! We are committed to the importance of balance.

#### **Key Responsibilities:**

As an Lineworker at REC, you'll have the opportunity to work on energized lines (approved gloving methods used), as well as respond to real-time outage calls. Construct and repair electric distribution and transmission line of the cooperative. Complete installation lightning arrestors, circuit breakers, regulators, transformers, and other equipment. Safety at REC is a top priority.

#### **Qualifications:**

We're looking for someone with the right blend of experience and skills:

- High School education or equivalent.
- Completion of a one-year Lineworker training course and 3<sup>rd</sup>/4<sup>th</sup> step apprenticeship completion are required.
- Journeyman applicants must hold a Journeyman Lineworker certificate issued from the United States Department of Labor (DOL)
- North Dakota Commercial Driver's license (CDL), including air brake endorsement, or ability to obtain within 90 days of hire.
